## transforming a luxury brand - The Ritz-Carlton Hotels

*optimizing the selling environment for one of the world's most recognized luxury brands*

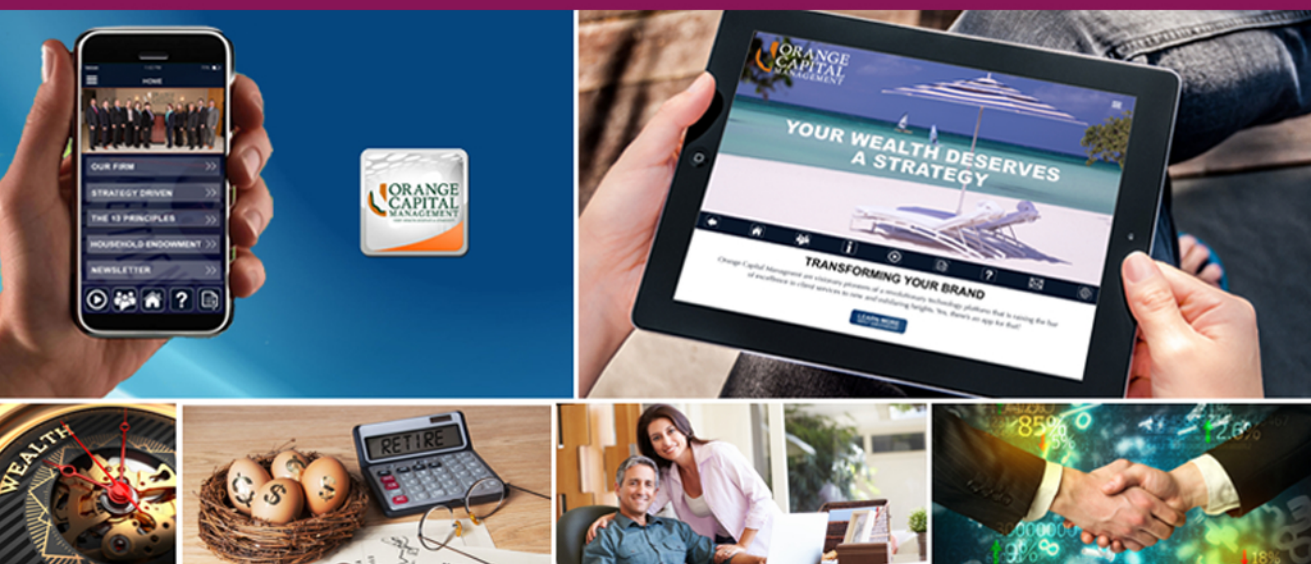

We designed a custom native app platform for The Ritz-Carlton Hotels that has made exceptional contributions to their commitment to showcase & promote their luxury brand as one of the world's premier providers of extraordinary meetings and events.

*"The iPad toolkit turns an ordinary presentation into extraordinary experience. It has been an invaluable asset to me, my sales team and our resorts."* - Isabel Gracia, Dorado Beach, a Ritz-Carlton Reserve

## healthy, wealthy & wise - a "suite" financial app

*check out our custom native app platform for financial planners*

Orange Capital Management is one of the largest and most respected wealth management companies in Southern California. Their goal was to develop a technology platform designed to meet the needs of a growing tech-orientated client with a responsive solution in a creative environment with clearly communicative value and vision.

*"This modern, responsive app features all of our key information - fashioned in a such a way as to offer our clients a new way to learn and connect with our company. We're thrilled with the vision, support and service provided by Buck and his team. It's been amazing."* - Paul Escudero, CEO - Founder, Orange Capital Management
